

# SPECIFICATION SHEET

## BOLLE RUSH 2.0 CLEAR

The RUSH 2.0 is designed for protection in a wide range of work environments and applications, offering both comfort and durability. Its textured temples and flexible nose piece provide extra support, while its Platinum Lite coated lens ensures good resistance to fogging and scratches, making it suitable for diverse work conditions. In addition to its ergonomic design, RUSH 2.0 is engineered with 32% of recycled material to help lower carbon emissions in PPE eyewear.
