PULSAR®
Life

Unlock your full potential with our cutting-edge, eco-friendly PULSAR® Life Combat Trousers. Crafted from GRS 92% recycled polyester and 8% spandex, these innovatively designed bottoms offer unparalleled performance and sustainability 12. Featuring a Cordura® recor™ RPET 600D (100% recycled polyester) knee and hem reinforcement for exceptional durability, and a 4-way stretch fabric for maximum comfort, these trousers are engineered to move with you, not against you. Designed with your safety in mind, the 5cm wide, heat-applied segmented reflective tape on the thighs and lower legs, along with the additional reflective trim detail above the knee and back of the leg, ensures you stay visible in low-light conditions 12. Versatile and adaptable, these trousers boast a range of practical features, including 2 side hip pockets, 2 back pockets, and 2 cargo pockets, plus a Hypalon utility loop at the waist for added convenience. Elevate your performance and reduce your environmental impact with our cutting-edge, eco-friendly PULSAR® Life Combat Trousers. Available in yellow and orange & men's and women's sizes
